Mudvayne, Happy?

In this hole, that is me The dead are rolling over

In this hole, thickening

Dirt shovelled over shoulders

I feel it in me, so overwhelmed

Oh this pressured centre rising

My life overturned, unfair the despair

All these scars keep ripping open

Peel me from the skin

Tear me from the rind

Does it make you happy now?

Tear meat from the bone

Tear me from myself

Are you feeling happy now?

In this hole, that is me

A life thats growing feeble

In this hole, so limiting

The sun has set all darkens

Buried underneath, hands slip off the wheel

Internal pathway to contention

Peel me from the skin

Tear me from the rind

Does it make you happy now?

Tear meat from the bone

Tear me from myself

Are you feeling happy now?

(Are you) Happy?

(Are you) Happy?

Are you feeling happy?

In this hole, that is me

Left with a heart exhausted

Whats my release?

What sets me free?

Do you pull me up just to push me down again?

Peel me from the skin

Tear me from the rind

Does it make you happy now?

Tear meat from the bone

Tear me from myself

Are you feeling happy now?

Peel me from the skin (Peel me from the skin)

Tear me from the rind

Does it make you happy now?

Tear meat from the bone (Tear meat from the bone)

Tear me from myself

Are you feeling happy now?

Does it make you happy?

Are you feeling happy?

Are you fucking happy, now that Im lost, left with nothing?

Does it make you happy?

Are you feeling happy?

Are you fucking happy, now that Im lost, left with nothing?
