

# Mudvayne, Solve Et Coagula

Fire, fire

I dissolve and solidify,

Destroy to recreate,

Disassemble to assemble something pure,

Our rubic sol-ve-et-co-ag-u-la

Kill to be born again, cycled a thousand times

Fire, planetary alchemy,

Fire, the time is here now

Fire, four corners to rise

Fire rise!

Fire, there's always loss within,

Fire, the cleansing it's time

Fire, shooting arrows to the sky

Fire

I construct a new institution

Not out of bricks, iron, cement, concrete

Or steel

Our rubic sol-ve-et-co-ag-u-la

Distill to purify,

We've done it a thousand times

Fire, planetary alchemy,

Fire, the time is here now

Fire, four corners to rise

Fire rise!

Fire, there's always loss within,

Fire, the cleansing it's time

Fire, shooting arrows to the sky

Fire

Burn, bleed all the lives of life, ascend to

The sky

Burn, all the martyrs

Fire, planetary alchemy,

Fire, the time is here now

Fire, four corners to rise

Fire rise!

Fire, there's always loss within,

Fire, the cleansing it's time

Fire, shooting arrows to the sky

Fire
