

Muggy Mr., Gone

When you're here I don't look your way
But when you're gone I miss you every day
When you're gone
I miss you when you're gone

You give your love; you couldn't have mine
I think I needed just a little more time
Now you're gone
I miss you when you're gone

I'm sorry baby, I'll write it in stone
Shoulda been there 'stead of calling on the phone
And now you're gone
And now you're gone

You're not half the woman I wanted
But you're all the woman I got
Now you're gone
I miss you when you're gone
Sometimes I get blinded you see
I let your love get away from me
And now you're gone
I miss you when you're gone

I'm sorry baby, I'll write it in stone
Shoulda been there 'stead of calling on the phone
Now you're gone
And now you're gone

You're not half the woman I wanted
but you're all the woman I got got got
And now you're gone
and now you're gone

Too late, oh too bad (and now you're gone)
you didn't realize what you had (and now you're gone)
too late now I'm gone (and now you're gone)
you better stop your cryin' cause you ain't getting none (and now you're gone)
