

Muggy Mr., No More

Hey man
Oh how've you been
Sure good to see you
To have you in my life again
My friend
Oh anyone can see
Dealin' with the demons
Somehow has set you free

Grinnin' never winnin' always sinnin' from beginnin' knowin'
Karma's gonna get you
Take it leave it I don't believe it you can say what you wanna say

No More No More (or so you say)
No More No More
No More No More (or so you say)
No More No More

Dad said I've been hanging with the wrong friends
I know where they are going
'Cause I've seen where they have been
Oh come on man
Don't worry you'll see
Don't you think their mom or dad
Says the same thing 'bout me

Grinnin' never winnin' always sinnin' from beginnin' knowin' Karma's gonna get you
Take it leave it I don't believe it you can say what you wanna say

No More No More (or so you say)
No More No More
No More No More (or so you say)
No More No More

Oh yeah, now this is what I need
Hangin' out with friends
Feelin' high on life indeed
I work hard, don't be bringing me down
Got my head up in the stars
Got my feet up in the ground

Grinnin' never winnin' always sinnin' from beginnin' knowin' Karma's gonna get you
Take it leave it I don't believe it you can say what you wanna say

No More No More (or so you say)
No More No More
No More No More (or so you say)
No More No More
No More No More (or so you say)
No More No More
No More No More (or so you say)
No More No More
