

Muldjord, Chaos God

Powerful and reckless,
merciless and fierce,
chaos god awakens,
collector of human tears.

He sees it in your eyes,
hellbend for tortured souls,
you won't sleep well tonight,
the chaos is about to unfold.

Chaos god,
chaos god,
chaos god,
God of chaos!

Chaos god,
chaos god,
chaos god,
Say your prayers!

He haunts your dreams,
swallows you whole,
he haunts your screams,
and steals your soul!

Chaos infection,
thousands bow down and pray,
pointless words of mercy,
chaos god will have his way.

the world is dying,
the universe about to implode,
god of order is crying,
he forgot the system code.

with order out of the way,
humanity is left to their fate,
worldwide disarray,
inverse evolution state.

Chaos god,
chaos god,
chaos god,
God of chaos!

Chaos god,
chaos god,
chaos god,
Say your prayers!

He haunts your dreams,
swallows you whole,
he haunts your screams,
and steals your soul!
