

# Mull Historical Society, 5 More Minutes

5 more minutes  
5 more minutes with you  
5 more minutes  
To do what we do

5 more minutes  
5 more minutes instead  
5 more minutes  
To say what I nearly said

It's only seconds away  
It's only seconds away

It's only a war in my head  
It's only a war in my head

5 more minutes  
5 more minutes with you  
5 more minutes  
To do what we do

It's only seconds away  
It's only seconds away

It's only a war in my head  
It's only a war in my head  
It's only a war in my head  
It's only a war in my head

5 more minutes  
5 more minutes instead  
5 more minutes  
To say what I nearly said
