

# Mull Historical Society, Mull Historical Society

The Mull Historical Society  
Is here for you and me

You got to keep moving  
If you're going to end up in our society  
We're finding new ways  
To reach out to everyone of you

Loosen, loosen your body  
Loosen, from your point of view

You cannot be a loser  
If you're going to join-up in our society  
We need a new hall  
To fill our membership of 2

Loosen, loosen your collar  
Loosen, from your point of view

If you can't find  
Your peace of mind  
Then join us  
The Mull Historical Society  
Join up, with your point of view

We're finding new ways  
To reach out to the brigades in the community  
We're walking your dogs  
So you cannot let us down

Come on and join us join us now
