

# Mumford & Sons, Roll Away Your Stone

Roll away your stone, I'll roll away mine  
Together we can see what we will find  
Don't leave me alone at this time,  
For I am afraid of what I will discover inside

You told me that I would find a hole,  
Within the fragile substance of my soul  
And I have filled this void with things unreal,  
And all the while my character it steals

Darkness is a harsh term don't you think?  
And yet it dominates the things I seek

It seems that all my bridges have been burned,  
But, you say that's exactly how this grace thing works  
It's not the long walk home  
that will change this heart,  
But the welcome I receive with the restart

Darkness is a harsh term don't you think?  
And yet it dominates the things I seek  
Darkness is a harsh term don't you think?  
And yet it dominates the things I seek  
Darkness is a harsh term don't you think?  
And yet it dominates the things I seek

Stars hide your fires,  
And these here are my desires  
And I will give them up to you this time around  
And so, I'll be found  
with my steak stuck in this ground  
Marking its territory of this newly impassioned soul  
hide your fires,  
these are my desires  
And I will give them up to you this time around  
ADD:And so, I'll be found  
with my steak stuck in this ground  
Marking its territory of this newly impassioned soul

But you, you've gone too far this time  
You have neither reason nor rhyme  
With which to take this soul that is so rightfully mine
