Mumford & Sons, Whispers in the Dark

You hold your truth so purely And swerve not through the minds of men This lie is dead

And this cup of yours tastes holy But a brush with the devil can clear your mind and strengthen your spine

But fingers tap into what you were once And I'm worried that I blew my only chance

Whispers in the dark
Steal a kiss and you'll break your heart
Pick up your clothes and curl your toes
Learn your lesson, lead me home
Spare my sins for the ark, I was too slow to depart
I'm a cad but I'm not a fraud, I'd set out to serve the Lord

But my heart was colder when you'd gone And I lost my head but found the one that I love Under the sun, under the sun

But fingers tap into what you were once And I'm worried that I blew my only chance Fingers tap into what you were once And I'm worried that I blew my only chance!

(Woo!)

Instrumental break

But my heart was colder when you'd gone And I lost my head; let's live while we are young While we are young While we are young While we are young
