

Mumford & Sons with Baaba Maal, The Very Best

You don't want to turn away this time
Then why don't you take a different line
Don't have to be cruel want to be kind
You don't have to lose your mind
You don't wanna suffer for the art
You don't wanna vivisect your heart
And then, if you're falling apart
You probably trying too hard

In the dawning light
I found you breathless
But I won't deny I love you helpless

You don't wanna say what don't mean
You still want to paint a vivid scene
You hide in the wings with a lamp
And cast the shadows on the screen
You don't wanna sing what you can say
Well that's quite a hard game to play
But I have fallen for your way
In spite of myself I don't want you to change

In the dawning light
I found you breathless
But I won't deny I love you helpless
/2x

And I will be yours
And you be mine
