

# Mumiy Troll, Lady Alpine Blue ( Eurovision 2001 )

To love newcomers fashion  
Oh, so special  
You may want to believe me  
But hey, your Alpine eyes of blue  
Here's my Siberian hymn for you  
We better stay or rather die  
La, la, la...  
Rather die  
La, la, la...  
No promises, no kiss goodbye to you  
Just keep on smiling, my lady Alpine blue  
Your slipping serpentine night  
Would cuddle us, keep us tender  
And smother warning signs  
My old mistakes should send her  
Eternity for us to try  
The dawn will tell us if we fly  
La, la, la...  
If we fly  
La, la, la...  
No promises, no kiss goodbye for you  
Just keep on smiling, my lady Alpine blue  
No promises  
No promises  
No promises  
No promises  
No promises, no kiss goodbye for you  
Just keep on smiling, my lady Alpine blue
