

Mungo Jerry, Always On My Mind

I've bin thinkin' of you both night and day,
When I'm at work and when I'm at play,

Chorus:

Yeah you're always on my mind, girl,
Always on my mind.

When I'm at a movie and when I'm at a show,
You are always with me everywhere I go,

Repeat Chorus:

When the rain has stopped fallin',
An' the sun so longer shines,
You still will be with me,
'cause you're always there on my mind, girl,
Always on my mind
