

# Murder City Devils, Boom Swagger Boom

(c'mon boys!)

I see her walking,  
see her walking like a cat.  
I said I wish that I could walk like that.  
Me and her in time going boom boom boom.

She goes boom swagger swagger boom boom swagger  
boom boom boom  
swagger swagger boom boom swagger boom boom boom  
swagger swagger boom boom swagger boom boom boom

I see her walking,  
see her walking like a sailor.  
I said I wish I could be walking right beside her.  
Me and her in time going boom boom boom.

Shes goes boom swagger swagger boom boom swagger  
boom boom boom  
swagger swagger boom boom swagger boom boom boom  
swagger swagger boom boom swagger boom boom boom

I hear her talking,  
hear her talking like a cat.  
I said I wish that I could talk like that.  
I hear her going "reeow, reeeooowww";

I see her sitting,  
see her sitting by the fire.  
I said I wish I could be sitting right beside her.  
Me and her in time going boom boom boom

she goes boom swagger swagger boom boom swagger  
boom boom boom  
swagger swagger boom boom swagger boom boom boom  
swagger swagger boom boom swagger boom boom boom
