

# Murder City Devils, Dancin' Shoes

Alright

I've got my dance shoes on  
And I'm feeling alright  
Gonna get 'em moving  
On the floor  
On the floor tonight

I've got my dance shoes on  
And I feel alright  
You got your black dress on  
And you're lookin' alright  
And you're lookin' alright

And you're my girl  
Gonna take you home  
Gonna take you home tonight  
Home tonight

But first I've got a job to do  
Gotta get 'em moveing  
On the floor tonight  
On the floor tonight  
I've got my dance-shoes on  
And I feel alright

And I'm your man  
And I feel alright  
And you're my girl  
I bet you feel  
I bet you feel alright  
I bet you feel alright

I've got my dancin' shoes on  
Gonna get 'em moveing  
Gonna get 'em moveing  
On the floor  
On the floor  
On the floor  
On the floor tonight

On the floor tonight  
And I'm dressed up just right  
Got my hair combed down just right

On the floor tonight
