

Murray McLauchlan, Born Again

I was closed mouthed
I was closed minded
Bangin' my head on the wall
I was blinded
But you did it
You put the light in my eyes
What's happened to me

I feel born again
Born again to be
Somebody like I wanted to be

I had no satisfaction
I was measuring my cage
I had figured that the natural thing
Was to be enraged
But then you came
I want to be everything I can be

I feel born again
Born again to be
Somebody like I wanted to be

I was a pretender
A cheap lender
Everything I gave was marked
Return to sender
But you started me
Thinkin' that I could unfreeze

I feel born again
Born again to be
Somebody like I wanted to be
