

# Murray McLauchlan, Born Again

I was closed mouthed  
I was closed minded  
Bangin' my head on the wall  
I was blinded  
But you did it  
You put the light in my eyes  
What's happened to me

I feel born again  
Born again to be  
Somebody like I wanted to be

I had no satisfaction  
I was measuring my cage  
I had figured that the natural thing  
Was to be enraged  
But then you came  
I want to be everything I can be

I feel born again  
Born again to be  
Somebody like I wanted to be

I was a pretender  
A cheap lender  
Everything I gave was marked  
Return to sender  
But you started me  
Thinkin' that I could unfreeze

I feel born again  
Born again to be  
Somebody like I wanted to be
