

Muse, Agitated

You make me agitated,
You know i appreciate it
Why can't i complicate it
So why should i look at you
My love here is so true (very uncertain about that)
Yeah

You do it to me sweetly
Do them yeaahhh
You do it to me lovely
Do they yeaahhh

You try to make me crazy
You make me agitated
And then i'm suffocated
And why should i look at you
My love here is so true

You do it to me sweetly
Do them yeaahh
You do it to me lovely
Do they yeaahh
