Muse, Apocalypse Please

Declare this an emergency Come on and spread a sense of urgency And pull us through And pull us through

And this is the end The end This is the end Of the world

And it's time we saw a miracle Come on it's time for something biblical To pull us through And pull us through

And this is the end The end This is the end Of the world

Proclaim eternal victory
Come on and change the course of history
And pull us through
And pull us through

And this is the end The end This is the end Of the world
