

# Muse, Assassin

War is overdue  
The time has come for you  
To shoot your leaders down  
Join forces underground

Lose control  
Increasing pace  
Warped and bewitched  
Intention erased

Whatever they say  
These people are torn  
Wild and bereft  
Assassin is born

Oppose and disagree  
Destroy demonocracy

Lose control  
Increasing pace  
Warped and bewitched  
Intention erased

Whatever they say  
These people are torn  
Wild and bereft  
Assassin is born
