

Muse, Can't take my eyes off you

You're just too good to be true
I can't keep my eyes off you
You feel like heaven to touch
I wanna hold you so much

At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you

Pardon the way that I stare
There's nothing else to compare
The sight of you makes me weak
There are no words left to speak

But if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off you

I love you, baby
And if it's quite all right
I need you, baby
To warm the lonely nights
I love you, baby
Trust in me when I say
Oh, pretty baby
Don't bring me down, I pray
Oh, pretty baby
Now that I found you, stay
And let me love you, baby
Let me love you

You're just too good to be true
I can't keep my eyes off you
You feel like heaven to touch
I wanna hold you so much

At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you

I love you, baby
And if it's quite all right
I need you, baby
To warm the lonely nights
I love you, baby
Trust in me when I say
Oh, pretty baby
Don't bring me down, I pray
Oh, pretty baby
Now that I found you this day
Let me love you, baby
Let me love you
