Muse, Citizen Erased

Break me in,
Teach us to cheat
And to lie, cover up
What shouldn't be shared?
All the truth unwinding
Scraping away
At my mind
Please stop asking me to describe him

For one moment I wish you'd hold your stage With no feelings at all Open minded I'm sure I used to be so free

Self expressed, exhausting for all To see and to be What you want and what you need The truth unwinding Scraping away At my mind Please stop asking me to describe

For one moment
I wish you'd hold your stage
With no feelings at all
Open minded
I'm sure I used to be so free

For one moment I wish you'd hold your stage With no feelings at all Open minded I'm sure I used to be so free

Wash me away Clean your body of me Erase all the memories They will only bring us pain And I've seen all I'll ever need
