

Muse, Hoodoo

Come into my life
Regress into a dream
We will hide
Build a new reality
Draw another picture
Of the life you could have had
Follow your instincts
And choose the other path

You should never be afraid
You're protected from trouble and pain
Why, why is this a crisis in your eyes again

Taught to be
How did it come to be
Tied to a railroad
You'll have to set us free
Watch our souls fade away
Let our bodies crumble away
Don't be afraid

I will take the cold for you

And I've had recurring nightmares
That I was loved for who I am
And missed the opportunity
To be a better man
