

Muse, Mercy

Help me, I've fallen on the inside
I tried to change the game
I tried to infiltrate
But now I'm losing
Men in cloaks
Only seem to run the show
Save me from the ghost to shadows
Before they eat my soul

Mercy
Mercy

Show me Mercy
From the powers that be
Show me mercy
Can someone rescue me

Absent gods
in silent tyranny
We're going under
Hypnotized by another puppeteer
Tell me why the men in cloaks
always have to bring me down
We're running from ghost to shadows
The world just dissolves

Mercy
Mercy

Show me mercy
From the powers that be
Show me mercy
Can someone rescue me
Show me mercy
Show me mercy please

Help me
I've fallen on the inside
And I'm a man in a cloak
Trying to devour my soul

Show me mercy
From the powers that be
Show me mercy
From the godless and mean
Show me mercy
From the killing machines
Show me mercy
Can someone rescue me
Show me mercy
Woah
