

# Muse, Resistance

Is our secret safe tonight?  
And are we out of sight?  
Or will our world come tumbling down?  
Will they find our hiding place?  
Is this our last embrace?  
Or will the walls start caving in?

(It could be wrong, could be wrong)  
But it should've been right  
(It could be wrong, could be wrong)  
Let our hearts ignite  
(It could be wrong, could be wrong)  
Are we digging a hole?  
(It could be wrong, could be wrong)  
This is out of control  
(It could be wrong, could be wrong)  
It could never last  
(It could be wrong, could be wrong)  
Must erase it fast  
(It could be wrong, could be wrong)  
But it could've been right  
(It could be wrong, could be)

Love is our resistance  
They'll keep us apart and they won't stop breaking us down  
Hold me  
Our lips must always be sealed

If we live a life in fear  
I'll wait a thousand years  
Just to see you smile again  
Kill your prayers for love and peace  
You'll wake the Thought Police  
We can't hide the truth inside

(It could be wrong, could be wrong)  
But it should've been right  
(It could be wrong, could be wrong)  
To let our hearts ignite  
(It could be wrong, could be wrong)  
Are we digging a hole?  
(It could be wrong, could be wrong)  
This is out of control  
(It could be wrong, could be wrong)  
It could never last  
(It could be wrong, could be wrong)  
Must erase it fast  
(It could be wrong, could be wrong)  
But it could've been right  
(It could be wrong, could be)

Love is our resistance  
They'll keep us apart and they won't stop breaking us down  
Hold me  
Our lips must always be sealed

The night has reached its end  
We can't pretend  
We must run  
We must run  
It's time to run  
Take us away from here  
Protect us from further harm  
Resistance!
