

# Muse, Revolt

How did we get in so much trouble?  
Getting out just seems impossible  
Oppression is persisting  
I can't fight this brain conditioning  
Our freedom's just a loan  
Run by machines and drones

They've got us locked  
Into their sights  
Soon, they'll control  
What's left inside  
Don't try to hide it  
Don't tell me it's not there

You've got strenght, you've got soul  
You've felt pain, you've felt love  
You can grow, you can grow  
You can make this world what you want  
You can revolt, you can revolt, you can revolt.

Can you hear a distant thunder?  
Taste earth's blood and hunger  
We live in a toxic jungle  
Truth is suppressed to mumbles

They'll take away our homes  
They're just machines and drones  
Don't try to fight it  
Don't tell you can't see

You've got strenght, you've got soul  
You've felt pain, you've felt love  
You can grow, you can grow  
You can make this world what you want  
You can revolt, you can revolt, you can revolt.

I can feel your pain  
I can feel your confusion  
I can see you're trapped in a maze  
Let's find a way to escape

You've got strenght, you've got soul  
You've felt pain, you've felt love  
You can grow, you can grow  
You can make this world what you want  
You can revolt, you can revolt, you can revolt.
