Muse, Spiral Static

Who's ever known How much to moan and groan And quiver inside He needs to give you Everything you need Is it enough

You're running out of time As it grows in your eye Feel broken inside you feel

Sigh, static moans A storm growing strong And it's coming my way Still she gives you Everything you need Is it enough

You're running out of time As it grows in your eye You'll feel broken inside You'll feel And I'll feel broken inside you

Feel...
