

# Mushroomhead, Before I Die

Set Me Free  
Let Me Be  
Who And What I Am  
Why Can't You See?  
You Never Seem To Understand  
This Pain I Feel Is As Real  
As Your Ignorance  
Question Fate  
As I Await Deliverance  
Like A Fantastic Fork  
In Bloody Meat  
Don't Give Me Love  
I Wanna Drowned In Your Deep Divide  
Tumbleweed Sew The Seed  
In This Ghost Town  
You Never Know  
What You'll See  
When The Sun Goes Down  
I Saw Her Last  
In A Dream  
She Seems To Astound  
Heard Of Her First Third Verse  
(216) Hands Bound  
Taken From Me  
In My Mind Empty  
Without It Inside  
Starving I Am  
The Deprived  
Just Want It Once...desires  
Strong Resistance Is Weak  
It's Hard To Win  
When You've Got So Many Mouths To Feed  
I Could Die  
For All Of My Sins  
No Not For That  
For All That I Have Never Had  
This Life's A Fight  
For Fulfillment Inside  
A War Of My Own Hindsight  
Look Back With Resentment  
Taken As I Find Myself  
All Alone  
Taken From Me
