

Mushroomhead, Before I Die

Set Me Free
Let Me Be
Who And What I Am
Why Can't You See?
You Never Seem To Understand
This Pain I Feel Is As Real
As Your Ignorance
Question Fate
As I Await Deliverance
Like A Fantastic Fork
In Bloody Meat
Don't Give Me Love
I Wanna Drowned In Your Deep Divide
Tumbleweed Sew The Seed
In This Ghost Town
You Never Know
What You'll See
When The Sun Goes Down
I Saw Her Last
In A Dream
She Seems To Astound
Heard Of Her First Third Verse
(216) Hands Bound
Taken From Me
In My Mind Empty
Without It Inside
Starving I Am
The Deprived
Just Want It Once...desires
Strong Resistance Is Weak
It's Hard To Win
When You've Got So Many Mouths To Feed
I Could Die
For All Of My Sins
No Not For That
For All That I Have Never Had
This Life's A Fight
For Fulfillment Inside
A War Of My Own Hindsight
Look Back With Resentment
Taken As I Find Myself
All Alone
Taken From Me
