

Mushroomhead, Flattened

An Early Incarnation, Of A Bad Day I Got Up On The Wrong Side Again The First
Hours Crawl Emotional Starvation, We Throw The Words Away Don't Wanna Swallow
My Pride Again The Worst Waste Of All I Think I've Found My Way In, I Found
My Way Out For Every time That You Live Your Life To Please There's Always
That Trace Of Doubt An Early Incarnation, An Early Incarnation Of A Bad Day,
Of A Bad Day I Got Up On The Wrong Side Again I Got Up On The Wrong Side
Again The Worst Waste Of All The First Hours Crawl If I Could Only Erase,
This Failure In My Head One Day If I Could Just Face Up To This Put The Past
To Rest Live Your Life To Please Live Your Life To Please Live Your Life To
Please There's Always That Trace Of Doubt An Early Incarnation Of A Bad Day I
Got Up On The Wrong Side Again The First Hours Crawl The First Hours Crawl.
