

# Mushroomhead, Flattened

An Early Incarnation, Of A Bad Day I Got Up On The Wrong Side Again The First  
Hours Crawl Emotional Starvation, We Throw The Words Away Don't Wanna Swallow  
My Pride Again The Worst Waste Of All I Think I've Found My Way In, I Found  
My Way Out For Every time That You Live Your Life To Please There's Always  
That Trace Of Doubt An Early Incarnation, An Early Incarnation Of A Bad Day,  
Of A Bad Day I Got Up On The Wrong Side Again I Got Up On The Wrong Side  
Again The Worst Waste Of All The First Hours Crawl If I Could Only Erase,  
This Failure In My Head One Day If I Could Just Face Up To This Put The Past  
To Rest Live Your Life To Please Live Your Life To Please Live Your Life To  
Please There's Always That Trace Of Doubt An Early Incarnation Of A Bad Day I  
Got Up On The Wrong Side Again The First Hours Crawl The First Hours Crawl.
