Mushroomhead, Save Us

And its all
Ive ever wanted to believe

That peace could grow inside of you

Inspite of me humanity
I hope your out there somewhere

All alone
I hear the whole world calling
Save us from ourselves

All alone i hear the angels scream my name

I look thru the eyes of humanity

I looked at myself
So many things i hate in me
So many things are so hard to

Believe
I can hear the whole world calling
Me

Used to be all that i wanted
You to see all that i needed you
To be does anyone care

About your fellow man
Are you pure enough to hear me out yet

Are you sure enough
That your pure enough to comprehend

Just live forgive and forget
