

Musiq, Just Friends (Sunny)

Girl I know this might seem strange
But let me know if I'm out of order
Stepping to you this way,
See I been watching you for a while
And I just got to let you know
That I'm really feeling your style
Plus I had to know your name and
Leave you with my number
And I hope you could call me someday
If you want you can give me yours too
If you don't girl I ain't mad at you
We can still be cool
Cause

(Chorus)

I'm not trying to pressure you
Just can't stop thinking 'bout you,
You ain't even really gotta be my girlfriend
I just want to know your name and
Maybe sometime we hook up
Hang out
Or just chill

Damn I'm surprised that you called
Cause the way you walked away
I thought I wasn't gonna see you no more,
Since you didn't wanna give me your name
I thought that you were digging me and
Wasn't digging me,
But Anyways what you doing tonight?
I probably be with my peeps
If it's cool with you maybe will swing by
And you can just chill (with us)
Or you can just chill with me
Long as you're comfortable and you fell secure when you with me cause.....

(Chorus)

baby yea
Maybe we
Can go see a movie girl
Or maybe we can just hang out girl
Whatever you want to do
Just let me know
It's up to you

(Chorus) Fade
