Musiq, Something

Something in the way she moves
Attracts me like no other lover
Something in the way she moves me
I don't wanna leave here now
You know I believe in how

Somewhere in her smile she knows That I don't need no other lover, no SOMETHING IN HER STYLE THAT SHOWS ME I don't wanna leave her now You know I believe in how yeah

You're asking me will our love grow I don't know, I don't know no, I don't know

You stick around and it may show Cause I don't know, I don't know know know know... ooooh, ooooh, ooooh...

Something in the way she knows And all I have to do is think of her yeah Something in the things she shows me I don't wanna leave her now you know I believe in how yeah yeah

Listen something in the way she moves Something in the way she moves me Somewhere in her smile that she know Something in her style that it shows me Something in the things that she shows me Something
