

# Musiq Soulchild, Her

Let me tell you something about her  
Aint nobody else around like her  
every time I spend some time with her  
I don't be thinking about no other her  
See everything I need and want is her  
She reminds me exactly why im with her  
Problems are so minimal with her (damn)  
I think im in love with her

[Chorus]

Cause there's nothing in this world  
That ever made me feel  
Like I do when im with her  
Cause everything is so real  
And I don't care who's got anything to say about  
What I do when im with her  
Cause it don't matter cause that's my girl  
don't nobody understand like her  
That I just gotta be the man for her  
See im trying to share my life with her  
And be the one who does those special things for her  
I can take a long walk with her  
Watch TV. or just sit and talk with her  
See I wanna make good love to her  
She must be my soul sister

[Chorus]

She is my girl  
Everybody sing it with me  
Im just talking bout my girl  
Singing about my baby  
Sing it one more time  
Everybody sing it [repeat]
