Girl I know this might seem strange
But let me know if I'm outta order for
Stepping to you this way
See I've been watchin you for a while
And I just gotta to let chu know that
I'm really feelin your style
Plus I had to know your name
And leave you wit my number
And I hope that you will call me someday
And if you want you can give me yours to
Well if you don't well I ain't mad at chu we can still be cool girl

Chorus

I'm not tryin to pressure you
Just can't stop thinkin bout you
You ain't even really gotta be my gurlfriend
I just wanna know your name and maybe sometime
We can hook up hang out just chill.

Damn im surprised that you called
By the way you walked the way
I thought I weren't gone see you no more
Since you didn't want to give me your name
I thought that you were iggin me
And wasn't digging me
But n e ways what cha doin tonight

If its cool then you maybe will swing by
Then you can just chill (wit us)

Long as your comfortable and and feel secure when your wit me 'cause..

I'm not tryin to pressure you
Just can't stop thinkin bout you
