

# Mustasch, Be Like A Man

You´re a big boy now  
You are mean and proud  
You have left your past behind  
Have you forgotten all  
What you promised yourself  
When they broke you as a child

Be Like A Man

When you´re big and strong  
Don´t you get it wrong  
You´re not weak when you are kind  
When your near and dear  
Are in need of your arms  
Don´t behave like you´re a child

Be Like A Man
