## MxPx, Broken Hearted

I'm broken hearted, broken hearted for you So don't get me started on repairs I know what you're gonna do You'll break it again I know I can't win You'll just break my heart again So the worst you do would make me cry You prolly done it to a hundred guys I'm not cryin', I got somethin' in my eyes You said you never really felt a thing You said you didn't like the way I sing I'm not cryin', but my eyes they really sting I'm broken hearted, broken hearted for you So don't get me started on repairs I know what you're gonna do You'll break it again I know I can't win You'll just break my heart again Sounded crazy before you said goodbye Called me a loser, hopin' I would die I'm not cryin', I got somethin' in my eye You said you never really felt a thing You said you didn't like the way I sing I'm not cryin', but my eyes they really sting I'm broken hearted, broken hearted for you So don't get me started on repairs I know what you're gonna do You'll break it again I know I can't win You'll just break my heart again
