

MxPx, Christmas Only Comes Once A Year

Christmas only comes once a year
At least thats what i hear
And once its gone
You never get that one back

Its better to give that it is to recieve
And if u dont believe
Then you should try it sometime
You'll be surprised at what you'll find

Theres no time like christmas time
Just listen to the church bells chime
Theres no time like christmas time

Theres no time like christmas time
When everything is yours not mine
Theres no time like christmas time

Well do you remember
When you were a kid
And all the things you did
When christmas moring came
It put everyother day to shame

I never really got everything i wanted
I was greatful for everything i had
I've been blessed dressed and fed alot
All thanks to my mom and my dad

Theres no time like christmas time
Just listen to the church bells chime
Theres no time like christmas time

Theres no time like christmas time
When everything is yours not mine
Theres no time like christmas time
