

# MxPx, Do & Don't

i still don't know what i want to do  
i'd probably still ask you if i knew  
what i'm doing now seems to be okay  
if it's your will if it's your way  
don't want to have to deal with pointless bureaucracy  
making sure where something goes or making sure that your agree  
well i don't even know what my choices are  
should i fly a plane, or should i drive a car?  
nothing's clear to me, my eyes won't do a thing for me  
i'll just wait right here, until i am what i will be  
whatever it is i'm sure ill know, when the time comes he will show  
me what to do, and me where to go  
all i've got is a skateboard and a guitar  
i go to a lot of punk shows a i drive a car  
i don't like to work and i don't like to go to school  
the teachers think that i'm a girl and the kids they think that i'm uncool  
i'm just not interested in much of anything  
wouldn't want to be a president, don't want to be a king  
i just want to ride my skateboard just want to play my bass  
every now and then strum a chord, sometimes land right on my face  
have you any ideas? i can't tell by a chart  
i wanna do what he wants me to, i'm gonna do my part-yah!
