

# MxPx, Gsf Live

(this one you can slow dance to)

You didn't have to be to mean to me I guess now I see  
how it's gonna be

I'm joining GSF, I've made up my mind, forget this they call love  
It's a waste of time yeah, yeah waste of time

Girls ain't no good anymore, anyway  
Not for one second have I understood  
why they do what they do, why they say what they say

You can all go away

Always happens to my friends, always happens to me  
It's taken me nineteen years to finally see  
She said "can we just be friends, it's just not working out"  
Another broken heart that I can do without. Do without

Yeah

Girls ain't no good, anymore, anyway  
Not for one second have I understood  
why they do what they do. Why they say what they say.
