

# MxPx, Letting Go

I've got a voice and I'm gonna use it  
I've had a change of mind  
I know things now that I didn't know before  
I've got the upper hand and I don't want to abuse it  
But soon I just might find I'm locked outside  
My foot's not in the door

There's something in the back of my mind  
Telling me to leave it behind  
The trouble I seem to find  
The hard to deal with kind  
A thought or two in the back of my mind

I've got a choice and I'm afraid to make it  
I've had a change of heart  
I'm taking care of things  
And taking things apart  
You'll know my heart in conclusion  
Cuz there's no way to fake it  
And nothing to retort  
TCB...deep inside my soul

There's something in the back of my mind  
Telling me to leave it behind  
The trouble I seem to find  
The hard to deal with kind  
A thought or two in the back of my mind

I've got a voice I'm gonna use it  
I've got a voice I'm gonna use it  
I've got a voice I'm gonna use it  
I've had a change of mind

I've got a voice I'm gonna use it  
I've got a voice I'm gonna use it  
I've got a voice I'm gonna use it

There's something in the back of my mind  
Telling me to leave it behind  
The trouble I seem to find  
The hard to deal with kind  
A thought or two in the back of my mind
