

MxPx, Life

Life

It ain't when you get your first kiss

Or when you throw your first diss

Life's just life

And it sucks

[Oh ya, life's just life]

Life

is when you're beating up your mom

Picking on her for her multicolored thongs

And shooting her in the ass

Life

Ain't when you graduate high school

And raise a farm with mules

Life's just life

And it sucks

[Oh ya, life's just life]

I love

to eat

my mom

[Oh yeah]

I love to go to prom

[Oh yeah]

I just love to take big shits

[Oh yeah]

And make poopies in my mom's oven mitts

[Oh yeah]

Lifes just life
