

MxPx, Misplaced Memories

If I could take what I've learned
From all the mistakes I've made
From the pages that I've turned
From the lost games that I've played

I'd be a better person for it
Better than deciding to ignore it
It meant so much to me
I want to make things right with you and me

Misplaced memories I've, retraced my steps so many times
Well maybe it was meant to be
And maybe all the answers are right here in front of me/
What else can I say, I let the past get to me

If things could go differently
If we could learn to agree
I'm willing to apologize
Because I realize

Seems like yesterday, I was cruising down Chico Way
