

MxPx, Take On Me

Talking away
I dont know what
What to say - Ill say it anyway
Todays another day to find you
Shying away Ill be coming for your love
Take on me, take me on
Ill be gone in a day
So needless to say
Im odds and ends
And you see me stumbling away
Slowly learning that life is ok.
Say after me
Its no better to be safe than sorry
Take on me, take me on
Ill be gone in a day
Oh the things that you say
Is it life or just to play my worries away
All the things Ive got to remember
Shying away
Ill be coming for you anyway
Take on me, take me on
Ill be gone in a day
