

# MxPx, What's Mine Is Yours

As soon as I figured out that you wouldn't be there  
As soon as I figured out that you didn't care  
I try to do what's right, I try to keep an open mind  
I try to do what's right, but your so unkind

You don't own me  
They've abolished slavery  
And I can't wait for the day when things  
turn around  
You don't own me,  
They've abolished slavery  
There's conciseness for your actions  
I know cause I'm paying for mine now

The piece of paper you have says that you  
can get into my pocket  
But you can't get inside my heart or my mind or  
my head  
Money doesn't mean to me what it obviously  
means to you  
Cause I would never steal from kids that dont  
have a clue
