

# MY BABY, In The Club

After midnight  
You be dancin  
Getting thirsty  
Goin deeper down

They keep looking  
Looking through me  
Whilst I stumble  
Stumble deeper down

Doors are closing  
Dreary night has...  
made a promise  
It won't ever end

Is there someone  
Here to save me  
No there is no one  
And I go deeper down

Come on in my club  
Cuz its going to be rainin' outdoors  
Come on fill my cup  
Bound to come back for more

Empty glasses  
On the table  
Plenty sugar  
On the bottom

Raise them curtains  
I start singing  
need a spoonful  
To go deeper down

Come on in my club  
Cuz its going to be rainin' outdoors  
Come on fill my cup  
Bound to come back for more
