

My Black Sky, Will You ?

I love you
I need you
but he's here
He's so near
when he'll say "goodbye"
i wanna be the guy
the one who will be more than just a friend
i have a message to send...

(chorus):

I love you
and i hope i'll get you
do you feel the same way ?
i ask it today...
will you feel the same way?
at least one day
will you say "i love you"?
will you say "i need you"?

since you left me
im crazy
i tried to forget you
but thats something i cant do
i'll wait until the end of time
just to make you mine
my love for you has no end
i have a message to send...

(chorus):

i love you
and i hope i'll get you
do you feel the same way ?
i ask it today...
will you feel the same way?
at least one day
will you say "i love you"?
will you say "i need you"?

(bridge):

i'll do anything
and everything
just to get you
just to kiss you

(chorus):

i love you
and i hope i'll get you
do you feel the same way ?
i ask it today ...
will you feel the same way?
at least one day
will you say "i love you"?
will you say "i need you"?
...will you....
