

My Bloody Valentine, Sylvie's Head

Sylvies head, the big machine
Sylvies head, it's Plasticine
Sylvies head, it's bigger than you think
All the money in the galaxy
Couldn't get me out of my tree
Sylvies head, it's lobster red
Sylvies head, it's growing legs
Sylvies head, it's better red than dead
Follow me all around the world
It'll miss and visit your girl
Sylvie's head, far out, everywhere that I go
