

# My Chemical Romance, Ambulance

You don't know a thing about this life  
And we are up for everything it takes  
To prove we're not the same as them  
And we will wear our masks  
Again out after dark  
'Cause we are up for everything it takes

And we are not the same  
'Cause we are not afraid  
And we are not ashamed

And if you save my life  
I'll be the one who drives you home tonight  
And if they ever let you down  
I'll be the one who drives you home tonight

Never want to walk this kind of life  
Quietly I'll sleep behind the wheel  
And passing every face you see  
But first I'll  
Take in every piece as you walk by  
Proving that we follow my mistakes

And we are not the same  
'Cause we are not the same  
And we are all to blame

And if you save my life  
I'll be the one who drives you home tonight  
And if they ever let you down  
I'll be the one who drives you home tonight  
You home tonight

It's driving you down  
It's driving you down  
It's driving you down  
It's driving you down  
It's driving you down  
'Cause it's driving you down  
And it's driving you  
Driving you down

And you don't know a thing about this life  
And you don't know a thing about this life  
And you don't know a thing about this life  
'Cause you don't know a thing about me  
You don't know a thing

And if you save my life  
I'll be the one who drives you home tonight  
And if they ever let you down  
I'll be the one who drives you home tonight  
You home tonight  
Drives you home tonight

'Cause it's driving you down  
'Cause it's driving you down  
'Cause it's driving you down  
'Cause it's driving you  
Driving you  
Driving you down, down
