

# My Chemical Romance, Cemetery Drive

This night, walk the dead  
In a solitary style  
And crash the cemetery gates.  
In the dress your husband hates  
Way down, mark the grave  
Where the search lights find us  
Drinking by the mausoleum door  
And they found you on the bathroom floor

I miss you, I miss you so far  
And the collision of your kiss that made it so hard

Back home, off the run  
Singing songs that make you slit your wrists  
It isn't that much fun, staring down a loaded gun  
So I won't stop dying, won't stop lying  
If you want I'll keep on crying  
Did you get what you deserve?  
Is this what you always want me for?

I miss you, I miss you so far  
And the collision of your kiss that made it so hard

Way down, way down  
Way down, way down  
Way down, way down  
Way down, way down

I miss you, I miss you so far  
And the collision of your kiss that made it so hard

When will I miss you, when will I miss you so far  
And the collision of your kiss that made it so hard  
Made it so hard

Way down, way down  
Way down, way down  
Way down, way down  
Way down, way down  
Way down...
